## ACCOUNT DISCLOSURES

***Except as specifically described, the following disclosures apply to all of the accounts.***

**1. RATE INFORMATION** — The annual percentage yield is a percentage rate that reflects the total amount of interest to be paid on an account based on the interest rate and frequency of compounding for an annual period. For Multiple Savings, Earn and Learn Savings, Holiday Savings, IRA Accumulation, Roth IRA Accumulation, Health Interest Checking, Eagle Advantage Checking, and Interest Checking Plus accounts, the interest rate and annual percentage yield may change monthly as determined by the Credit Union's Board of Directors. For Money Market, IRA Money Market, and Roth IRA Money Market accounts, the interest rate and annual percentage yield may change at any time as determined by the Credit Union's Board of Directors. The dividend rates and annual percentage yields are the rates and yields as of the last dividend declaration date that is set forth in the Rate Schedule. Money Market, IRA Money Market, and Roth IRA Money Market, accounts are tiered rate accounts. The balance ranges and corresponding interest rates and annual percentage yields applicable to each tier are disclosed in the Rate Schedule. For tiered accounts, once a particular range is met, the interest rate and annual percentage yield for that balance range will apply to the full balance of your account.

**2. INTEREST COMPOUNDING AND CREDITING** — The compounding and crediting frequency applicable to each account is set forth in the Rate Schedule.

**3. ACCRUAL OF INTEREST** — For all earning accounts, interest will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account.

**4. BALANCE INFORMATION** — To open any account, you must deposit or already have on deposit the minimum required share(s) in a Regular Savings, Eagle Advantage Savings, Junior, Financial Youth Group, or Young Adult Financial account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For Interest Checking Plus accounts, there is a minimum average daily balance required to avoid a service fee for the crediting period. If the minimum average daily balance requirement is not met, you will be charged a service fee as stated in the Fee Schedule. For Multiple Savings, Earn and Learn Savings, Holiday Savings, and IRA Accumulation, and Roth IRA Accumulation accounts,

there is a minimum average daily balance required to earn the annual percentage yield disclosed for the crediting period. If the minimum average daily balance requirement is not met, you will not earn the annual percentage yield stated in the Rate Schedule. For Money Market, IRA Money Market, and Roth IRA Money Market accounts, there is a minimum daily balance required to earn the annual percentage yield disclosed for the crediting period. If the minimum daily balance requirement is not met each day of the period, you will not earn the annual percentage yield stated in the Rate Schedule. For accounts using the average daily balance method as stated in the Rate Schedule, interest is calculated by applying a periodic rate to the average daily balance in the account for the crediting period. The average daily balance is calculated by adding the principal in the account for each day of the period and dividing that figure by the number of days in the period. For accounts using the daily balance method as stated in the Rate Schedule interest is calculated by applying a daily periodic rate to the principal in the account each day.

**5. ACCOUNT LIMITATIONS** — My Fit Access accounts do not allow accessing account funds by checks. Overdraft Protection plans are not available for My Fit Access accounts and Health Interest Checking accounts. For Multiple Savings, Earn and Learn Savings, Holiday Savings, Money Market, Eagle Advantage Checking, Interest Checking Plus, and Basic Checking accounts, no account limitations apply.

**6. ACHIEVE IT CHECKING ROUND-UP PROGRAM** –

**a.** When you enroll in the Achieve It Checking Round-Up Program, the Credit Union will round up the amount of any debit card purchases associated with your checking account to the next whole dollar amount and transfer the amount in excess of the purchase amount from your checking account into your savings account of choice residing (or housed) by the same member number.

**b.** The Credit Union will aggregate the rounded up amount from purchases that post to your checking account and will make a transfer in real time. If the available balance in your checking account, is zero or negative, the round-up transfer will not be attempted. A round-up transfer is also not attempted if the eligible withdrawal was posted using Overdraft protection transfers or Courtesy Pay.

**c.** If your debit card purchase is subsequently cancelled or reversed, such a returned purchase, the correspondingly round-up transfer will remain in your savings account of choice. Credit transactions or adjustment transactions will not be rounded-up.

**d.** For Achieve It Checking Round-Up Program, you may qualify for the Credit Union to match the monthly round up transaction amount, up to a maximum of \$8.00, if you meet the minimum qualification requirements during the qualifying month. To meet the minimum qualification requirements, you must: 1) have either one (1) ACH Credit or Direct Deposit; 2) make 25 debit card transactions a month; and 3) be enrolled to receive e-statements. The monthly qualifying cycle is defined as the period beginning on the first business day of each calendar month through the last business day of the calendar month. The Credit Union match will be paid on the first business day of the following month. If the Achieve It Checking account is closed before the end of the qualifying period, no match will be paid. If you do not meet all of the minimum qualification requirements during the monthly qualification cycle, you will not receive the Credit Union match.

**e.** The Credit Union reserves the right to cancel or modify the Achieve It Checking Round-Up Program at any time, including the reduction or elimination of the monthly match amount.

**7. FEES FOR OVERDRAWING ACCOUNTS** — Fees for overdrawing your account may be imposed on each check, draft, item, and one-time debit card transaction (if member has consented to overdraft protection plan for one-time debit card transactions), preauthorized automatic debit, telephone initiated withdrawal or any other electronic withdrawal or transfer transaction that is drawn on an insufficient available account balance. The entire balance in your account may not be available for withdrawal, transfer or paying a check, draft or item.
