**How We Will Calculate Your Balance:** We use a method called "average daily balance (including new purchases).” See Your Account Agreement for details.

**Billing Rights:** Information on Your rights to dispute transactions and how to exercise those rights is provided in Your Account Agreement.

---

**FINANCE CHARGES.** In the case of any transactions under Your Account, the balances subject to the periodic Finance Charge are the separate average daily transactions balances outstanding during the month (including new transactions) for purchases, cash advances, balance transfers and convenience checks. To get each average daily balance, We take the beginning balance for purchases, cash advances, balance transfers and convenience checks each day, add any new transactions for purchases, cash advances, balance transfers, and convenience checks (and insurance premiums, debit adjustments or other charges, as applicable), and subtract any payments, credits and unpaid Finance Charges. This gives Us the daily balance(s) for purchases, cash advances, balance transfers and convenience checks. Then, We add up each of the separate daily balances for purchases, cash advances, balance transfers and convenience checks for the billing cycle and divide them by the number of days in the billing cycle to arrive at the separate average daily transactions balances for purchases, cash advances, balance transfers and convenience checks. The Finance Charge for a billing cycle is computed by multiplying each average daily balance subject to a Finance Charge by the applicable Daily Periodic Rate times the number of days in the billing cycle. The sum of each of these separate Finance Charge calculations is the total Finance Charge owed for that billing cycle.

You can avoid Finance Charges on purchases, balance transfers and convenience checks by paying the full amount of the entire balance owed each month within 25 days of Your statement closing date. Otherwise, the new balance of purchases, balance transfers and convenience checks, and subsequent purchases, balance transfers and convenience checks from the date they are posted to Your Account, will be subject to a Finance Charge. Cash advances are always subject to a Finance Charge from the date of the transaction and are not subject to the 25-day grace period described above.

The minimum FINANCE CHARGE that You will be required to pay in any billing cycle that a Finance Charge is due is $0.50.

For Preferred Platinum VISA, the current variable Daily Periodic Rate for purchase and balance transfer transactions is 0.023698% to 0.051096% (corresponding **ANNUAL PERCENTAGE RATE 8.65% - 18.65%** based on Your creditworthiness at the time You open Your Account.

**VARIABLE RATE (EXCEPT PLATINUM VISA).** For all Cards (except Platinum VISA), transactions are subject to a Variable Rate which is based on the highest Prime Rate as published in the Money Rates section of The Wall Street Journal in effect on the 15th day of each calendar month ("Index") plus Our Margin. The Index plus the Margin equals the Interest Rate. Changes in the Index will cause changes in the Interest Rate on the 1st day of the billing cycle in the month that immediately follows a change in the Index. Increases or decreases in the Interest Rate will cause like increases or decreases in the Finance Charge and will affect the number of Your regularly scheduled payments. For all balances Your Interest Rate will never be greater than 25.00%.

In this Agreement, the reference to "We," "Us," "Our" and "Credit Union" mean Together Credit Union. The words "You" and "Your" mean each person who accepts this Agreement or uses any Preferred Platinum VISA, Platinum Points VISA, VISA Signature, or Platinum VISA Credit Card. "Account" means the Preferred Platinum VISA, Platinum Points VISA, VISA Signature, or Platinum VISA Credit Card Account established for You. The words "Credit Card" or "Card" mean any Preferred Platinum VISA, Platinum Points VISA, VISA Signature, or Platinum VISA Credit Card issued to You and any duplicates and renewals. "Convenience Checks" mean the special Account access devices that We may provide for Your use from time to time. If this is a joint account, read singular pronouns in the plural.

You understand the following terms constitute the Agreement:

promise to pay. Your Account may be accessible through a variety of means which could include advance request forms, vouchers, checks, charge slips, Credit Cards, Convenience Checks, Online Access and the like. Regardless of the access means, You promise to pay Us all amounts charged to Your Account by You or by any user who has access to Your Account, with actual, apparent or implied authority for use of Your Account, including Finance Charges and other fees or charges described herein.

joint accounts. Each Cardholder will be responsible, jointly and severally, for the repayment of amounts owed. You understand that any Card which is requested and approved will be mailed only to the primary Cardholder at the address that We have on file for You. We may refuse to follow any instructions which run counter to this provision.

ownership. Your Card remains Our property and may be cancelled by Us at any time without notice. You agree to surrender Your Card and to discontinue its use immediately upon Our request.

use of your card. You may make purchases by presenting the Card to a participating plan merchant or by authorizing a sales draft. You may obtain cash advances by presenting the Card to Us or another financial institution; by authorizing a cash advance draft; or by using Your PIN in conjunction with the Card in an ATM or other type of electronic terminal that honors Your Card. You agree not to use Your Card for illegal transactions including, but not limited to, advances made for the purposes of gambling and/or wagering where such practices are in violation of applicable State and/or federal law.

issuance of personal identification number. We will issue separate Personal Identification Numbers (PINs) for use with participating Automated Teller Machines (ATM). These PINs are confidential and should not be disclosed to anyone. You may use Your PINs to access Your Account and all sums advanced will be added to Your balance. In the event a use of Your PINs constitutes an Electronic Fund Transfer, the terms and conditions of Your Electronic Fund Transfer Agreement may also affect Your rights. Your use of these PINs is Your authorization to Us to charge Your Account to cover such transactions.

credit limits. If Your application for an Account is approved, You will be notified of Your specific Credit Limit(s) for transactions made under Your Account. Unless You are in default, any Credit Limit established for You will be self-replenishing as You make payments on Your Account. You will keep Your unpaid balance within any Credit Limit set by Us, and You will pay any amount over Your Credit Limit on Our demand whether or not We authorize the advance which caused You to exceed any Credit Limit. Even if Your unpaid balance is less than Your Credit Limit, You will have no credit available during any time that any aspect of Your Account is in default.

finance charges. In the case of any transactions under Your Account, the balances subject to the periodic Finance Charge are the separate average daily transactions balances outstanding during the month (including new transactions) for purchases, cash advances, balance transfers and convenience checks. To get each average daily balance, We take the beginning balance for purchases, cash advances, balance transfers and convenience checks each day, add any new transactions for purchases, cash advances, balance transfers, and convenience checks (and insurance premiums, debit adjustments or other charges, as applicable), and subtract any payments, credits and unpaid Finance Charges. This gives Us the daily balance(s) for purchases, cash advances, balance transfers and convenience checks. Then, We add up each of the separate daily balances for purchases, cash advances, balance transfers and convenience checks for the billing cycle and divide them by the number of days in the billing cycle to arrive at the separate average daily transactions balances for purchases, cash advances, balance transfers and convenience checks. The Finance Charge for a billing cycle is computed by multiplying each average daily balance subject to a Finance Charge by the applicable Daily Periodic Rate times the number of days in the billing cycle. The sum of each of these separate Finance Charge calculations is the total Finance Charge owed for that billing cycle.

You can avoid Finance Charges on purchases, balance transfers and convenience checks by paying the full amount of the entire balance owed each month within 25 days of Your statement closing date. Otherwise, the new balance of purchases, balance transfers and convenience checks, and subsequent purchases, balance transfers and convenience checks from the date they are posted to Your Account, will be subject to a Finance Charge. Cash advances are always subject to a Finance Charge from the date of the transaction and are not subject to the 25-day grace period described above.

The minimum FINANCE CHARGE that You will be required to pay in any billing cycle that a Finance Charge is due is $0.50.

For important Account information and the applicable Margin and Daily Periodic Rate (and corresponding Annual Percentage Rate), refer to the "Credit Card Approval" that We have provided in conjunction with this Agreement, which You understand and agree is an integrated part of this Agreement.

variable rate (except Platinum VISA). The Index plus the Margin equals the Interest Rate. Changes in the Index will cause changes in the Interest Rate on the 1st day of the billing cycle in the month that immediately follows a change in the Index. Increases or decreases in the Interest Rate will cause like increases or decreases in the Finance Charge and will affect the number of Your regularly scheduled payments. For all balances Your Interest Rate will never be greater than 25.00%.

minimum monthly payment. Though You need only pay the Minimum Monthly Payments, You understand that You have the right to repay or make larger payments at any time without penalty. UPDATING AND DISCLOSING FINANCIAL INFORMATION. You will provide facts to update personal information or other financial information related to You, at Our request. You also agree that We may, from time to time, as We deem necessary, make inquiries pertaining to Your employment, credit standing and financial responsibility in accordance with applicable laws and regulations. You further agree that We may give information about the status and payment history of Your Account to consumer credit reporting agencies, a prospective employer or insurer, or a state or federal licensing agency having any apparent legitimate business need for such information.

TERMINATION. Subject to applicable law, either You or We may cancel Your Account at any time whether or not You are in default. You will, in any case, remain liable to pay any unpaid balances according to the terms of this Agreement.

GOVERNING LAW. This Agreement is controlled and governed by the laws of the State of Missouri including Section 408.145 RSMO except to the extent that such laws are inconsistent with controlling federal law.

ORAL AGREEMENTS. Oral agreements or commitments to loan money, extend credit or to forbear from enforcing repayment of a debt including promises to extend or renew such debt are not enforceable, regardless of the legal theory upon which it is based that is in any way related to the credit agreement. To protect You (borrower(s)) and Us (creditor) from misunderstanding or disappointment, any agreements We reach covering such matters are contained in this writing, which is the complete and exclusive statement of the agreement between Us, except as We may later agree in writing to modify it.

Your Billing Rights: Keep this Document for Future Use

This notice tells You about Your rights and Our responsibilities under the Fair Credit Billing Act.

What To Do If You Find A Mistake On Your Statement

If You think there is an error on Your statement, write to Us at Our address shown in this Agreement. In Your letter, give Us the following information:

- Account information: Your name and Account number.
- Dollar amount: The dollar amount of the suspected error.
- Description of problem: If You think there is an error on Your bill, describe what You believe is wrong and why You believe it is a mistake.

You must contact Us:

- Within 60 days after the error appeared on Your statement.
- At least 3 business days before an automated payment is scheduled, if You want to stop payment on the amount You think is wrong.

You must notify Us of any potential errors in writing. You may call Us, but if You do We are not required to investigate any potential errors and You may have to pay the amount in question.

What Will Happen After We Receive Your Letter

When We receive Your letter, We must do two things:

1) Within 30 days of receiving Your letter, We must tell You that We received Your letter. We will also tell You if We have already corrected the error.
2) Within 90 days of receiving Your letter, We must either correct the error or explain to You why We believe the bill is correct.

While We investigate whether or not there has been an error:
We cannot try to collect the amount in question, or report You as delinquent on that amount.
The charge in question may remain on Your statement, and We may continue to charge You interest on that amount.
While You do not have to pay the amount in question, You are responsible for the remainder of Your balance.
We can apply any unpaid amount against Your Credit Limit.

After We finish Our investigation, one of two things will happen:

- If We made a mistake: You will not have to pay the amount in question or any interest or other fees related to that amount.
- If We do not believe there was a mistake: You will have to pay the amount in question, along with applicable interest and fees. We will send You a statement of the amount You owe and the date payment is due. We may then report You as delinquent if You do not pay the amount We think You owe.

If You receive Our explanation but still believe Your bill is wrong, You must write to Us within 10 days telling Us that You still refuse to pay. If You do so, We cannot report You as delinquent without also reporting that You are questioning Your bill. We must tell You the name of anyone to whom We reported You as delinquent, and We must let those organizations know when the matter has been settled between Us. If We do not follow all of the rules above, You do not have to pay the first $50.00 of the amount You question even if Your bill is correct.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If You are dissatisfied with the goods or services that You have purchased with Your Credit Card, and You have tried in good faith to correct the problem with the merchant, You may have the right not to pay the remaining amount due on the purchase. To use this right, all of the following must be true:

1) The purchase must have been made in Your home state or within 100 miles of Your current mailing address, and the purchase price must have been more than $50.00. (Note: Neither of these are necessary if Your purchase was based on an advertisement We mailed to You, or if We own the company that sold You the goods or services.)
2) You must have used Your Credit Card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses Your Credit Card account do not qualify.
3) You must not yet have fully paid for the purchase.

If all of the criteria above are met and You are still dissatisfied with the purchase, contact Us in writing at Our address shown in this Agreement.

While We investigate, the same rules apply to the disputed amount as discussed above. After We finish Our investigation, We will tell You Our decision. At that point, if We think You owe an amount and You do not pay, We may report You as delinquent.
