H. Withdrawal of Electronic Acceptance of Disclosures and Notices
If I do not accept this Agreement, I understand I should not click the “I Agree” check box, and I will not be able to access my account online. I understand that I may withdraw my consent to receive electronic notices and disclosures by contacting the Credit Union via the eStatements area of OnlineAccess, via e-mail at mbresolver@togethercu.org, or I may call (877) 325-2848, or write to: E-Services, Together Credit Union, 423 Lynch Street, St. Louis, MO 63118.

I. eAlerts (Online Account Notices)
By accepting this Agreement, I agree to receive periodic account notices online through eAlerts (i.e.: NSF, Paid-NSF and Overdraft Transfer notices). These eAlerts may include information concerning my deposit accounts and/or loan and credit card accounts with the Credit Union. I understand the Credit Union will send me an email to the address I specify in OnlineAccess My Settings to advise me when an eAlert is available for one of my accounts. I agree to provide and maintain a valid, active email address with the Credit Union at which I can receive and view emails. I understand the Credit Union is not liable for any third-party fees, other legal liability or any other issues or liabilities arising from eAlerts being sent to an invalid or inactive email address that I have provided.

I understand that it is my responsibility to maintain proper equipment and meet the minimum system requirements as detailed in Section F.

I understand that I will not receive periodic account notices via U.S. mail unless they are not available in electronic format.

J. Statements
I will receive a statement each month unless there has been no activity. In any case, the Credit Union will issue a statement quarterly. All transactions generated by me through the Digital Services will appear on my monthly or quarterly statement. No other receipts will be sent.

K. Transfer Between Credit Union Accounts
I may designate accounts at the Credit Union between which I may transfer funds electronically through the Digital Services. I authorize you to transfer funds electronically between my designated account(s) according to my instructions initiated through the Digital Services. All transfer transactions are immediately deducted from my account. Each of these accounts must be in my name. I may designate accounts at the Credit Union in which to transfer funds, not in my name, provided all account owners (jointly held or otherwise) execute an agreement with the Credit Union acknowledging the processing of intra Credit Union transfers. Intra Credit Union transfer agreements can be obtained by contacting the Credit Union.

I understand that under Federal Reserve Board Regulation D, I am permitted to make no more than six (6) transfers or withdrawals from a savings or money market account per month (not counting ATM and teller transactions). Digital Services transfers are counted toward the six total permitted transfers or withdrawals. If I exceed the limit, you may restrict the savings or money market account and/or may transfer the funds to my checking account. Further explanations of these restrictions are available from the Credit Union.
L. Liability for Unauthorized Transfers
I will tell you at once if I believe my PIN and/or password has been lost or stolen. Telephoning is the best way of keeping my losses down. If I notify you of the loss or theft of my PIN and/or password within 2 business days after I learn of it, my loss will be limited to $50 if someone uses my PIN and/or password without my permission. If I fail to tell the Credit Union within 2 business days and you can prove you could have stopped someone from using my PIN and/or password without my permission had I told you, I could lose as much as $500. Also, if my statement shows transfers I did not make, I should tell you at once. I have 60 days after my statement is sent to me to tell the Credit Union of any transfers I did not make. If I fail to notify you within 60 days, I may not get my money back if you can prove that you could have stopped someone from taking my money had I told you in time. I understand you may extend this period if I can provide a good reason (such as a long trip or hospital stay) for not notifying you sooner.

If I believe my PIN and/or password has been lost or stolen or that someone has transferred or may transfer money from my account without my permission, I should call (877)325-2848 between 8:00 a.m. and 5:00 p.m., Central Time, Monday through Friday, or write to E-Services, Together Credit Union, 423 Lynch Street, St. Louis, MO 63118.

M. Credit Union's Liability
If the Credit Union does not complete a transaction for which I receive a confirmation number or it is not completed for the correct amount, it will be liable for my reasonable losses or damages. However, there are some exceptions: 1) If, through no fault of yours, I do not have sufficient funds in my account. 2) If the transfer would exceed the credit limit on my line of credit. 3) If circumstances beyond the Credit Union's control (such as fire or flood) prevent the transfer despite reasonable precautions that it has taken.

N. Errors and Questions
In case of errors or questions about my electronic transfers, I should telephone you at (877)325-2848 or write to Together Credit Union, 423 Lynch Street, St. Louis, MO 63118, as soon as I can if I think my statement is wrong or if I need more information about a transfer listed on the statement. I must notify you no later than 60 days after you sent me the first statement on which the error or problem appeared. I will need to tell you:

- My name and account number;
- Why I believe there is an error and the dollar amount involved;
- Approximately when the error took place. If I tell you orally, you may require that I send my complaint or question in writing within ten (10) business days. You will tell me the results of your investigation within ten (10) business days and correct any error promptly. If you need more time, you may take up to 45 days to investigate (90 days if the transfer involved a new account, point-of-sale transaction or a foreign-initiated transfer). If you decide to do this, you will credit my account within 10 business days (5 business days for ATM or Visa check card point-of-sale transactions and 20 business days if the transfer involved a new account) for the amount I think is in error, so that I will have use of the money during the time it takes you to complete your investigation. If you ask me to put my complaint or question in writing and you do not receive it within 10 business days, you may not credit my account. An account is considered a new account for the first 30 days after the first deposit is made, unless I already have an established account with you before this account is opened. You will tell me the results within three business days after completing your investigation. If you determine that there was no error, you will send me a written explanation within three (3) business days after you complete your investigation,
and you may reverse any temporary credits made to my account pending the completion of the investigation. I may ask for copies of the documents that were used in the investigation.

O. Third Party Disclosures
You will disclose information to third parties about my account or the transfers I make: 1) where it is necessary for completing transfers; 2) in order to verify the existence and condition of my account for a third party, such as a credit bureau or merchant; or 3) in order to comply with government agency or court orders.

P. Business Day
The Credit Union's business hours are Monday through Friday from 8:00a.m. to 5:00p.m. Central Time, except on the holidays it elects to remain closed.

Q. Business Services Members
If I am a Business Services Member, "Super User" or "Sub-User", I understand 1) all users given access, by the "Super User" to Bill Payment, may be able to add Payees and Make Payments without additional authorization, and 2) access to some features of the Digital Services, including but not limited to eStatements, External Transfers and ACH Client, may be limited by the Credit Union or the "Super User" assigned by the Business Services Member.

R. eDeposit - Online and Mobile
I understand the eDeposit services allow me to deposit checks into my eligible Credit Union accounts from a remote location by scanning the items with a TWAIN compliant flatbed scanner or with a compatible mobile device which then delivers the images and associated deposit information to the Credit Union electronically. I may use the eDeposit services only for personal or small-business use in accordance with the eDeposit Terms and Conditions. In order to use this Service, I must obtain and maintain, at my expense, compatible hardware. The Credit Union is not responsible for the functionality or maintenance of any third party hardware or software I may need to use the eDeposit services. By accepting this Agreement, I also agree to the eDeposit Terms and Conditions.

S. Other Terms & Conditions
You may occasionally introduce new services to enhance the existing program. You shall notify me of these new enhanced services and by utilizing these services, I agree to be bound by the obligations and conditions concerning these services. In addition to the terms set forth in this Agreement, I agree to be bound by all the terms and conditions of any separate instructions that I may be provided with in conjunction with this system and any and all applicable state and federal laws and regulations.

You reserve the right to terminate my use of the OnlineAccess, MobileAccess+, or related services, in whole or part, at any time without prior notice.

This Agreement, any separate instructions, and the applicable fees and charges may be amended by you in the future. In the event of amendment, you shall send notice to me either by mail to my last known address or transmit such notice of the amendment over the Digital Services. My use of the Digital Services following the receipt of such notice constitutes acceptance of such amendment.

This Agreement shall be governed by and construed in accordance with the laws of the state of Missouri.
