Month	/	Variable Rate	\$1,000.00 \$500.00 (age 21 & younger)	Monthly	Monthly	Not Allowed	Allowed - See Transaction Limitations section	Automatic

ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts.

1. RATE INFORMATION — The annual percentage yield is a percentage rate that reflects the total amount of interest to be paid on an account based on the interest rate and frequency of compounding for an annual period. For Certificate of Deposit accounts, the interest rate and annual percentage yield are fixed and will be in effect for the initial term of the account. For Variable Rate Certificate of Deposit accounts, the interest rate and annual percentage yield may change three equal periods as determined by the Credit Union's Board of Directors. The rate adjusts to current rate for like fixed rate certificate terms less a margin on the anniversary date of each subsequent period. The rate may increase or decrease, however it will never be lower than the rate earned on the date the account. For accounts subject to interest compounding, the annual percentage yield is based on an assumption that interest will remain on deposit until maturity. A withdrawal of interest will reduce earnings.

2. INTEREST COMPOUNDING AND CREDITING — The compounding and crediting frequency applicable to

each account is set forth in the Rate Schedule. For all accounts, at your option, you may choose to have interest credited to your certificate account or transferred to another account of yours. If you elect to have interest transferred to another account, compounding will not apply.

3. BALANCE INFORMATION — To open any account, you must deposit or already have on deposit the minimum required share(s) in a Regular Savings, Eagle Advantage Savings, Junior, Financial Youth Group or Young Adult Financial account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For accounts using the daily balance method as stated in the Rate Schedule interest is calculated by applying a daily periodic rate to the principal in the account each day.

4. ACCRUAL OF INTEREST — For all accounts, interest will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account.

5. TRANSACTION LIMITATIONS — For all accounts, your ability to make deposits to your account and any

limitations on such transactions are stated in the Rate Schedule. After your account is opened, you may only withdrawal interest credited in the term before maturity of that term without penalty. You can withdrawal interest anytime during the term of crediting after it is credited to your account.

6. MATURITY — Your account will mature as stated on this Truth-in-Savings Disclosure or on your Account Receipt or Renewal Notice.

7. EARLY WITHDRAWAL PENALTY — We may impose a penalty if you withdraw funds from your account before the maturity date.

a. Amount of Penalty. For Certificate of Deposit accounts, the amount of the early withdrawal penalty is based on the term of your account. The penalty schedule is as follows:

- Terms of 12 months or less 90 days' interest
- Terms of greater than 12 months to 3 years
180 days' interest
- Terms of greater than 3 years 270 days' interest

For Variable Rate Certificate of Deposit accounts, the amount of the early withdrawal penalty is based on the term of your account. The penalty schedule is as follows:

Terms of 3 years	180 days' interest
Terms of greater than 3 years	270 days' interest

b. How the Penalty Works. The penalty is calculated as a forfeiture of part of the interest that has been or would be earned on the account. It applies whether or not the interest has been earned. In other words, if the account has not yet earned enough interest or if the interest has already been paid, the penalty will be deducted from the principal.

c. Exceptions to Early Withdrawal Penalties. At our option, we may pay the account before maturity without imposing an early withdrawal penalty under the following circumstances:

- (i) When an account owner dies or is determined legally incompetent by a court or other body of competent jurisdiction.
- (ii) Where the account is an Individual Retirement Account (IRA) and any portion is paid within seven (7) days after the establishment of the account; or where the account is a Keogh Plan (Keogh), provided that the depositor forfeits an amount at least equal to the simple interest earned in the amount withdrawn; or where the account is an IRA or Keogh and the owner attains age 59½ or becomes disabled.

8. RENEWAL POLICY — The renewal policy for your accounts is stated in the Rate Schedule. For accounts that automatically renew for another term, you have a grace period of ten (10) days after maturity in which to withdraw funds in the account without being charged an early withdrawal penalty.

9. NONTRANSFERABLE/NONNEGOTIABLE — Your account is nontransferable and nonnegotiable.

10. MEMBERSHIP — As a condition of membership, you must purchase and maintain the minimum required share(s) as set forth below.

Par Value of One Share	\$5.00
Number of Shares Required	1
